32. Saving valuable ancient books is the most meaningful part of this job.抢救珍贵古籍是这份工作最有意义的地方。

IV.语法精萃

由 **who**、**which**、**that** 引导的定语从句

关系代词	修饰对象	在从句中可充当成分	基础例句
who	人	主语 / 宾语	The girl who helps me is my deskmate. He is the student who we met yesterday.
which	物	主语 / 宾语	This is the book which I bought last week. The tree which stands here is old.
that	人 + 物	主语 / 宾语	The boy that you saw is a book restorer. The pot that broke was ancient.

【注意】

1. 位置规则：定语从句永远放在被修饰名词（先行词）的后面，不能前置。

☒ I like songs that are soft.

☒ I like that are soft songs.

2. 只用 that，不能用 which 的 4 种情况

① 先行词同时包含人+物

He talked about the teachers and schools that he visited.

② 先行词被最高级修饰

This is the most valuable book that I have ever read.

③ 先行词被序数词修饰

This is the first folk custom that I learned.

④ 先行词被 all, everything, nothing, something 等不定代词修饰

Tell me everything that you know.

3. 绝对不能用 that 的情况

介词后面只能用 which/who，禁止 that

☒ This is the house in which I lived.

☒ This is the house in that I lived.

4. 关系代词可省略条件

who/which/that 在从句里作宾语时，可以直接删掉；作主语绝不省略。

作宾语（可省）：The pen (that) I lost is red.

作主语（不可省）：The pen that is on the desk is mine.

5. 易错区分：who vs which

- 人只用 who/that，不能用 which

☒ The man who restores old books is Mr Du.

☒ The man which restores old books is Mr Du.

- 物只用 which/that，不能用 who

☒ The clay pot which is colourful is Mexican art.

☒ The clay pot who is colourful is Mexican art.

6. 主谓一致重点

从句谓语单复数，由先行词决定

I hate the rubbish that pollutes rivers. (rubbish 单数→pollutes)

I love the stories that talk about travel. (stories 复数→talk)
