33. We will present our travel brochure in front of the whole class. 我们会在全班展示旅游手册。

IV. 语法精萃

疑问词+不定式

疑问词	what /where/when /how/which /who
搭配	疑问词 + to do sth
功能	相当于一个名词短语，可作宾语、主语、表语
常用句型	主语：Where to hike hasn't been decided. 动词宾语：tell /know/decide /learn + wh- to do 介词宾语：I'm thinking about what to take.

【注意】

1. 只能用不定式 to do，不能用 doing / 从句谓语

☒ I don't know how to use the camera.

☒ I don't know how using the camera.

☒ I don't know how I to use the camera.

2.why 不能加 to do

☒ I don't know why I go there.

☒ I don't know why to go there.

3.动词自带介词，介词不能丢

I don't know which hotel to stay in. (stay 是不及物动词，必须搭配 in)

4.主谓无需变化，to do 永远原形，不受人称、时态影响

She didn't know when to wake me up. (过去式仍用 to wake)

5.同义转换，注意：主句的主语与不定式动作的逻辑发出者（即动作执行者）为同一人

☒ I don't know where I should hike.= I don't know where to hike.

☒ He asked me where I should go.=He asked me where to go.
